Leading francophone Africa law firm ADNA advises Sunrise Group, the world-leading Chinese textile manufacturer, on its landmark USD230 million (MAD2.3 billion) investment in Morocco. This strategic project will establish two industrial units in Skhirat and Fez, reinforcing Morocco's role as a key hub for the textile industry.

This milestone agreement, signed under the leadership of Head of Government Aziz Akhannouch, highlights Morocco's attractiveness for foreign investors and its dynamic economic growth. ADNA is honored to support major international investments that drive industrial growth and create new opportunities.
