Comprising two plants in key economic hubs Kaya and Koudougou, this strategic FCFA 26bn (EUR40m) investment will secure and strengthen the national electricity supply under a five-year PPA. Expected to be operational in Q12026, this milestone reflects continued private sector commitment to advancing energy access and infrastructural resilience across Francophone Africa.

The ADNA team advised on all legal aspects of the transaction, alongside [CAPITAL OF AFRICA](#), led by [Khalil Chyat](#) as financial advisor. Partner [Safia Fassi Fihri](#) led the ADNA team, assisted by associates [Salimata SOW](#) and [Abdellah BEZZAZ](#).
