This strategic transaction strengthens the shipping & logistics leader's downstream logistics capabilities and expands its footprint across MENA. By integrating Fattal's existing distribution network and established partnerships with international and local brands, CMA CGM reinforces its end-to-end logistics offering in a fast-evolving regional supply chain landscape.

Partner [Foued Bourabiat](#) led the [ADNA](#) corporate team, assisted by associates [Sarah Rachedi](#) and [Naghem Zemrani](#). Baker McKenzie acted as international counsel.
