SOGUIPAL (Société Guinéenne de Produits Alimentaires) produces essential food products including yoghurt, mayonnaise, powdered milk and tomato paste for local and regional markets including Guinea, Sierra Leone and Liberia. This financing will support SOGUIPAL's continued expansion, notably re yoghurt production, and strengthen access to locally produced food products across West Africa, reinforcing the region's agro-industrial value chains.

Partner Salimatou Diallo led the team assisted by counsel Salimata SOW and associates Mariama Toupe Bah, SEGUI TANON and Mohamed Fofana. Trinity International acted as international counsel with Marianna Sedefian and Victor Godard.
