ADNA recently advised Coris Holding on its strategic partnership agreement with MCP Mediterrania Capital Partners, alongside a consortium of European DFIs including FMO, BII, BIO and Impact Fund Denmark.

This agreement involves an equity investment of EUR100 million (XOF 65 billion) by the consortium and marks a key milestone for the Coris Group. It will help accelerate its growth, strengthen its ability to support States and clients, and advance its mission to provide innovative, inclusive, and accessible financial solutions across African economies.

A transformative deal for a bold African financial leader — shaping the future and changing the narrative of African finance.

Partner Sydney Domoraud led the transaction, assisted by counsel Boubacar Diao and senior associate Julia Challoub.
